

COMMUNITY LIFE

What facilities, spaces, events and activities do we need locally?

How could Errogie Kirk be best developed as a community hub?

Are more business premises or facilities needed? What and where?

GETTING ABOUT

"See if we can get a cycle/ footpath so it makes it safe for those in Gorthleck to get to school safely and if possible something from Errogie to Gorthleck"

How can we make it easier and safer to walk and cycle about?

Which routes and destinations should we prioritise?

OUTDOORS & NATURE

Which paths should we focus our attention on?

Thinking of our history, nature and scenery: which places of interest should we make more of?

Which hotspots need better management?

Where are new playparks needed?

Which existing ones need investment?

OUR HOMES

Does the local community need affordable homes?

What kind? How many? Where?

What supporting facilities and investment?

Which existing homes particularly need upgrading?

COMMUNITY LIFE

What facilities, spaces, events and activities do we need locally?

How should the Riverside Field, Foyers Bay and the shinty pitch be sensitively developed for community recreation?

How could The Hub, the shop and the areas around them be improved as community hubs?

Are more business premises or facilities needed? What and where?

GETTING ABOUT

How can we make it easier and safer to walk and cycle about?

Which routes and destinations should we prioritise?

OUTDOORS & NATURE

Thinking of our history, nature and scenery: which places of interest should we make more of?

Which paths should we focus our attention on?

How should access to the loch be improved?

Which hotspots need better management?

How could we improve the playparks?

OUR HOMES

Does the local community need affordable homes?

What kind? How many? Where?

What supporting facilities and investment are needed?

Which existing homes particularly need upgrading?

COMMUNITY LIFE

"Don't forget Gorthleck Hall, it is right in the middle of our community and should be a community hub. Too much development in Foyers and Whitebridge could strip our community of its identity. It also means unnecessary long journeys and is less green travelling longer distances."

What facilities, spaces, events and activities do we need locally?

How could the hall and the area around be improved as a community hub?

Are more business premises or facilities needed? What and where?
